## **WORTHY OF LOVE ORGANIZATION COORDINATES BIRTHDAY PARTIES FOR HOMELESS CHILDREN**

The Worthy of Love organization plans birthday parties once a month for the children who live on Skid Row.

In January 2013, Mary Davis started to act on a vision she had for years. When she learned that there are over 15,000 homeless children in Los Angeles County, she wanted to figure out a way to give them some light in their lives. She wanted them to experience something that most kids take for granted. Her goal was to figure out a way to let kids know they are worthy of love.

Since she started, Mary has thrown a birthday party for the homeless children of Los Angeles' Skid Row district, every month, without fail.

To continue on her mission, Sista Mary and Skiddy Cat (the organization's mascot) need help. With the help of Skiddy Cat, the Union Rescue Mission, and incredible volunteers, our City's homeless children will not miss their birthdays. Since the Union Rescue Mission is the only mission in Skid Row that can accommodate children, she decided to use the mission as the location. The Mission serves children who have often experienced homelessness, hunger and trauma. Skiddy Cat knows how important it is to normalize their environment.

"I think every child should celebrate their Birthday," Davis said. "They should know how important their life is and that they are loved. These kids usually have never had a Birthday Party thrown for them. Some have never even been to a Birthday Party before. The joy they experience is incredible."

Join Mary and the Worthy of Love family on a journey to bring kids happiness.
